

# Great Schools, Great Community, Great Team!

## Ambler Borough, Lower Gwynedd & Whitpain Townships

		
<b>Teresa Williams</b> Two Term Incumbent Board Member fighting for Our Children	<b>Ron Stoloff</b> Classroom Teacher with 35 years experience	<b>Val Burton</b> Child advocate & school volunteer for more than 12 years

The election is past and we're sorry to say the results were not in our favor. We wish the winners success with a reminder that we are not disappearing: we will be around to see that the interests of our Community and, most especially, our students are being served by the Board.

See [Ron's letter](#) in the *Ambler Gazette* expressing our gratitude those those who supported and voted for us on November 3rd.

### **Congratulations to [Teresa Williams](#) for her selection by the *Ambler Gazette* as the Citizen of the Week for December 2, 2009.**

#### **Endorsed by the Montgomery County Democratic Committee**

We are the endorsed Democratic candidates for the Wissahickon School District.

The School District is important not only because it sets policy for the Schools but its actions shape our students, affects our property values and sets our taxes.

Each of us has our own page so you can explore the details of our backgrounds and plans for our School District.

Please explore each of our pages on this site to learn more about who we are and our commitment to serve you and our students.

The picture of the Wissahickon Democrats Good Citizenship Award winner was removed because of a letter he published in the *Ambler Gazette* requesting it.

Here are Terrie & Ron with Rep. Allyson Schwartz
