**Are you a recently registered Democrat?  
Would you like to be more active in  
local politics?**

**Download this letter of Welcome and mail  
or email the form back to us.**

**Welcome to the web site of the  
Wissahickon Democrats. Our area  
encompasses all of the municipalities that  
are part of the Wissahickon School District:**

- Ambler Borough
- Lower Gwynedd Township
- Whitpain Township - including Blue Bell

Each of these townships has been divided into voting districts, and in all, we have 21 polling places. Please go to the link [Polling Places \(FAQ\)](#) to see our list. Every four years we elect two committee people for each of these voting districts or polling places. You may find out the names of your committee people by going to the link [Contacts](#).

We meet on the first Thursday of each month at 7:30 PM in the meeting room of the **Harleysville Bank Building** in Spring House [[Directions](#)]. We welcome our fellow Democrats to our meetings.

Our primary goals are to elect Democrats at all levels of government and to advance the causes of the Democratic Party in our area by energizing our members and increasing Democratic voter registration. Our web site is designed to inform our voters about important events, to provide information about our political candidates, to broaden our volunteer base, and to connect you to important links. We hope that you frequent our web site and pass our information on to more Democrats in our area.
