Meet the Wissahickon School Board Candidates

Sherri Becker I have been actively involved in the Wissahickon School District for nearly 20 years as a parent, a volunteer and a Certified School Nurse. My role as director and board

member of the Wissahickon Educational Opportunities Foundation (WEOF) heightened my awareness of what is needed to enrich our schools in the 21st century. I will take the time to thoughtfully formulate decisions and communicate them clearly to the community. I will represent our constituents fairly, comprehensively and with passion in order to ensure the highest quality public education for our children.

Ron Stoloff I retired after 35 years as a high school teacher and received a BS from Temple University and a MS Beaver/Arcadia. I have been married 26 years and a resident of Blue

Bell for 17 years. I volunteer at an organization that provides recycled computers to students and others.

While teaching I was extensively involved in reform movements and applying technology in the classroom. I think it is key that someone with actual classroom experience be on the Board.

Tracie Walsh I, along with my husband, and two children have been residents of the Wissahickon School District for the past 7 years. Both our children are currently attending school in

the district. My daughter is in 9th grade at the High School and my son is in 6th grade at the Middle School. I was Co-President of the PTO at Blue Bell and have been involved in the PTO and volunteered at the schools since we moved into the district. I'm also an assistant coach to two different WRA baseball teams. Additionally I am an advocate for the Juvenile Diabetes Research Foundation and have been a Realtor with Kershaw Esposito Real Estate for the past 10 years.
